I continue to be amazed as I watch God move in this past year. As you will see in this annual report, our staff and volunteers are ministering to hundreds of teens every week. Nearly a hundred of them came to first-time faith in Christ and dozens of them are now in discipleship relationships!

THANK YOU for investing in youth and partnering with us in sharing the good news of Jesus with them. This next generation is hungry and God is meeting them at their point of need. God is using you as a part of HIS great work!
